

# *Native American Webquest*

The Native American culture is very interesting. What would it be like if you lived as part of a tribe? As you go on your search through the internet you will be discovering many new facts about Native Americans.

## Tasks:

To learn more about Native Americans you will search through many informative websites and collect data to answer some specific questions.

Here are the questions I want you to focus on as you search through the websites. Read all of the questions before you start looking through the sites. Write your answers on a piece of paper as you find them.

- 1. What are the two “culture areas” in Idaho?**
- 2. Which 3 tribes lived in Idaho’s Great Basin Culture area?**
- 3. Where did the Shoshoni and Bannock live during the winter? Where did they live during the summer?**
- 4. Name 3 large game animals and 3 small game animals the Shoshoni hunted.**
- 5. Which tribe developed into the largest population in Idaho before pioneers settled here?**
- 6. Describe 2 unique ways the Coeur d’Alene Indians hunted large game.**
- 7. Where did the Nimi’ipuu (Nez Perce) travel to hunt bison?**

To learn about Idaho Native American Tribes go to this site:

<http://imnh.isu.edu/digitalatlas/geog/native/text/main.htm>

**\*Challenge**

- 1. What type of bulb would poison and kill any animal that ate it?**
- 2. What did the Coeur d'Alene tribe call themselves?**

**\*\* Extra Challenge!**

- 1. Which tribe designated themselves by many various names?**
- 2. Name 6 of them.**
