Lisa Hahle, Principal

December 1, 2012

To Whom It May Concern,

It is a privilege to write a letter of recommendation for Kadie Johnson. I have had the pleasure of observing and working with Kadie at Desert Sage Elementary School this fall while she was a student teacher in a 4<sup>th</sup> grade classroom. She has been an asset to the school, her students, and the 4<sup>th</sup> grade team of teachers she worked with these past few months.

While working with Kadie, I found that she has the skills necessary to engage students in the classroom. She responds quickly to student needs, manages behaviors appropriately and her interactions with students are genuine. Desert Sage Elementary is a Professional Learning Community school and Kadie has been a valuable member of her 4<sup>th</sup> grade collaboration team. Ms. Johnson has been able to handle all aspects of what is required to be a teacher and will become a true professional in her field.

Much as I admire Kadie as a teacher, I admire her even more as a person. She is kind, compassionate and loyal to her endeavors. Kadie Johnson has my respect and recommendation. Please do not hesitate to contact me if you have further questions.

Sincerely,

A handwritten signature in black ink that reads "Lisa Hahle". The signature is fluid and cursive.

Lisa Hahle
