Experience

Eagle Library Summer Art Program
Children's Art Instructor 6/10 to 8/10

Taught watercolor art lessons to groups of 20 – 27 students ranging in ages from 7 – 14. It was a free program offered by the Eagle Library for kids during their summer break.

Desert Sage Elementary
Substitute Teacher (K-12), 1/11 to Present
Student Teacher (Intern), 1/11 to 12/11

During my time at Desert Sage Elementary I have shown professionalism, dedication and have received very high recommendations from my mentor teachers, principal and Boise State Representative. I have enjoyed working in the 3rd and 4th grade classrooms where I spent the majority of my time as a student teacher. I also prepared and taught lessons for the kindergarten classes when asked if I could help out the teacher who needed some unexpected time off.

Key Contributions:

- Earned high marks for the quality of classroom teaching, lesson plans and instructional materials used in teaching diverse subjects (e.g., language arts, math, science, social studies and history).
 - Developed innovative approaches that were held as the model standard for meeting district goals in areas including technology integration across the curriculum, experiential learning, literacy and diversity.
 - Taught general education students and individuals with learning challenges within a mainstreamed, inclusive classroom.
 - Consistently commended for ability to redirect students exhibiting behavior problems by replacing disruptive, unproductive patterns with positive behaviors.
 - Quickly became a "first-to-call" resource in current substitute teaching role. Personally requested by many full-time teachers to take over their classrooms during absences.
